

**Logic Links Puzzle 39** Use 3 yellow chips, 2 white chips, and 1 green chip.

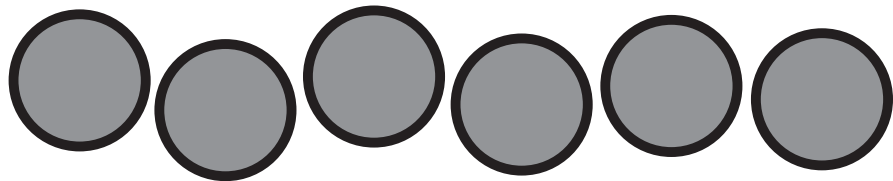

**Clue 1:** The ends are two different colors.

**Clue 2:** One yellow chip is the only chip between the other two yellow chips.

**Clue 3:** The white chips do not touch.

**Clue 4:** The green chip is directly to the right of a white chip.

**Clue 5:** Neither end is yellow.

**Logic Links Puzzle 40** Use 2 blue chips, 2 red chips, and 1 green chip.

**Clue 1:** The green chip touches a red chip and a blue chip.

**Clue 2:** The blue chips are next to each other.

**Clue 3:** The red chips do not touch.

**Clue 4:** The green chip touches the chip on the left end.
