

Gordian's KNOT™

The World's Toughest Brainteaser Challenge

HOW TO PLAY

Slide each piece in the correct sequence to take the puzzle apart. With every move you make, one or more pieces will move easily – but there is only one right answer. It's up to you to determine which move is the right one!

Solution guide is included showing complete solution as well as full instructions for putting Gordian's Knot™ back into its original position.
