

# RUSH HOUR

## TRAFFIC JAM GAME

## HOW TO PLAY

### THE OBJECT:

Drive the **RED CAR** through the Rush Hour exit gate. The exit gate is located on the right side of the game board. It is a notch in the side of the board.

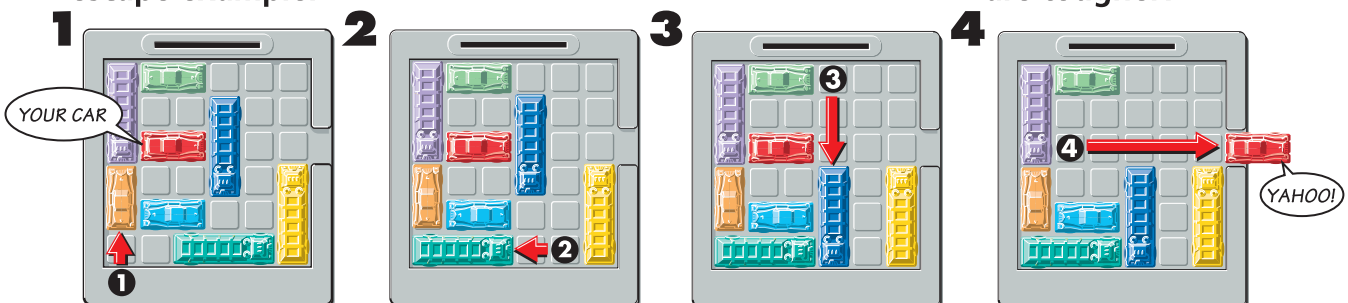

### TO PLAY:

- 1.) Pick a Rush Hour Challenge card.
- 2.) Set up all the cars and trucks on the game board to match the picture on the card. Pay special attention to the location of your **RED CAR**.
- 3.) To play the game, slide the cars and trucks back and forth to clear a path for the red car to get through the exit.
- 4.) When the Red Car exits the game, **YOU WIN!**

### REMEMBER:

- 1.) Cars and trucks can only move in their tracks, sliding forward and backwards.
- 2.) You can only slide the pieces, you may not turn them or lift them off the game board.

Simple four move escape example.

Real challenges are tougher!
